Dear Commissioners:

Please be advised that the following organizational and personnel changes will be made to the Milwaukee Fire Department's Firefighting Division, effective December 28, 2008. These changes reflect the 2009 City of Milwaukee Adopted Budget.

- Decommissioning of Engine 20, located at 755 North James Lovell Street.
- Elimination of fifth sworn (firefighter) position on one additional truck, which results in eight trucks with four sworn personnel per shift and eight trucks with five sworn personnel per shift.

Please contact me directly if you require any additional information on these changes.

Respectfully,

DOUGLAS A. HOLTON
