[Introduction](#) [Program Overview](#) [Clinics](#) [Support Us](#) [FAQ](#) [Contact Us](#)

Through Wisconsin's Wills for Heroes program, volunteer attorneys and support personnel participate in clinics scheduled at the request of first responder organizations around the state. At these events, volunteer lawyers will prepare wills and other estate planning documents at no charge for eligible first responders and their spouses or domestic partners.

The national Wills for Heroes program was created by the **Wills for Heroes Foundation** after September 11, 2001, and is designed to assist emergency personnel in preparing basic estate planning documents to protect themselves and their families. The program launched in Wisconsin in the Fall of 2009.

Wills for Heroes in Wisconsin is sponsored by the **State Bar of Wisconsin's pro bono program** with the generous support of **Foley & Lardner LLP, Thrivent Financial for Lutherans, LexisNexis** and the **State Bar Young Lawyers Division**.
