Attention: Michael Tobin, Executive Director

Dear Commissioners:

This letter is in response to the request from Acting Chief Michael Jones, Milwaukee Fire Department, to reclassify one position of Fire Captain, formerly occupied by Local 215 President/Contract Administrator Bobbie Webber, to Fire Lieutenant, a position held by the incoming President, David R. Seager, Jr.

As the level of this position can vary according to who is elected Local 215 President/Contract Administrator we recommend that this position continue to be authorized at the Captain level in Pay Range 857. Employees who fill this position, including the current incumbent, who are at the Fire Lieutenant level in Pay Range 856 can underfill the position. This will eliminate the need to reclassify the position each time there is a change in personnel in the Local 215 President/Contract Administrator position.

Sincerely,

Maria Monteagudo
Director of Employee Relations
