RE: Amended Police Telecommunicator Eligible List

On May 19, 2011, the Board adopted an eligible list for the position of Police Telecommunicator. This list reflected the ranking of the highest scoring candidates for this position, but did not include the remaining candidates. The candidates were processed in two groups to expedite the creation of the Eligible List to fill department vacancies.

At this time, the remaining applicants have been processed and the list is being amended to reflect the inclusion of all candidates.

We are submitting for your approval an additional twenty-three (23) names for a total of thirty-five (35) names on the eligible list.
