Fire and Police Commission

September 6, 2012

TO: Board of Fire and Police Commissioners

FROM: Michael G. Tobin, Executive Director

SUBJECT: Amendment to FPC Rule XI, Section 2(a)

This amendment adds language regarding the requirement of a Police Aide to pass the Physical Ability Test (PAT) in order to be eligible for appointment to Police Officer. This amendment was requested by the police department and conforms to a similar requirement for Fire Cadet. I recommend approval of this amendment.

Rule XI Section 2. (a) A Police Aide shall be eligible for appointment to Police Officer upon meeting the following: United States citizenship, and; favorable recommendation of the Chief, and; reaching age 21, and; serving in the Police Aide program a minimum of two years, and; earning 24 college credits, and; satisfactorily completing a specified course of instruction approved by the Assistant Chief overseeing the Training Bureau or their designee, together with the concurrence of the FPC Director, and; **successfully passing the Physical Ability Test (PAT), and;** successfully passing a Police Officer medical examination, psychological evaluation, drug screen test, and updated background investigation.
