Fire and Police Commission

April 1, 2013

TO: The Board of Fire and Police Commissioners

FROM: Michael G. Tobin, Executive Director

SUBJECT: Extension to Fire Equipment Repairer II Eligible List

The current eligible list for Fire Equipment Repairer II is scheduled to expire on April 7, 2013. There are five (5) names on the list and, of this date, we have only processed/hired one (1) person from the list. The Fire Department would like to use this list for a similar position rather than incur the expense and staff time to conduct a new recruitment and examination at this time.

I ask the Board's approval to extend the Fire Equipment Repairer II eligible list for one year to April 7, 2014.
