730.10 MDVR OPERATING PROCEDURES

B. OPERATIONAL FEATURES

2. Post-Event Recording

~~The MDVR will continue to record video and audio for 4.5 minutes after the system has been stopped or deactivated. This post event recording period is set by the department and cannot be adjusted manually by the member. The MVDR will not record audio or video after the system is stopped or deactivated.~~

C. START OF SHIFT (MEMBER RESPONSIBILITIES)

4. Members are not authorized to disable, remove or tamper with the MDVR system without prior approval from the Information Systems Division. Any member intentionally disabling, removing, or tampering with any component of an MDVR system without the prior approval of the Information Systems Division will be subject to discipline. Additionally, members shall not attempt to alter any MDVR recordings.

F. VIDEO UPLOAD

4. All damages, malfunctions or failures in the upload equipment shall be reported to a supervisor as soon as practicable. Failures of the upload equipment shall also require notification to the Information Systems Division Help Desk at Ext. 7290.
