

FIRE AND POLICE COMMISSION *Intradepartmental Correspondence*

February 26, 2015

TO: Fire and Police Commissioners

FROM: Renee Keinert, Program Assistant III

SUBJECT: Request to Amend Minutes

The February 5, 2015 minutes records Commissioner Morgan as being the chair of the new Research Committee, whereas it is actually Commissioner O’Hear who will chair the committee.

I request that the minutes of February 5, 2015, be amended to change the name of the chair of the Research Committee as follows under 1. Unfinished Business, paragraph b), second sentence:

“Commissioner O’Hear will chair the committee, and the other members will be Commissioners Cabrera, Wilson, and DeVougas.”
