Dear Chief Flynn:

I am writing this letter of congratulations and appreciation in regards to the WACOP Conference I attended at the Potawatomi Hotel from the third until the fifth of February 2016. I was utterly impressed with the variety of topics and information I received.

The agenda flowed well and the guest speaker was phenomenal. Conferences like this one awaken the senses and get our thought processes back on track. I was elated to be a part of such an information delight. I take my hat off to Officer Feather and the Fifth District team who helped to organize one of the best conferences I have ever attended. I hope to see more like this to come and look forward to the future events to come. It was truly my pleasure. I also had the opportunity to do a ride along which was an interesting and enlightening experience.

Sincerely yours,

A handwritten signature in blue ink that reads "Ann Wilson".
