TO: Fire and Police Commissioners

FROM: MaryNell Regan, Executive Director 

SUBJECT: Request to Amend FPC Rule V, Section 3

At the Regular Meeting of September 15, 2016, the Board amended Rule V, Sections 1-4 to reflect current job titles and their status. The position of Chief Latent Print Examiner should have been listed as exempt from competitive examination. This position was reclassified from Chief Document Examiner, a position that had also been exempt.

I ask that you amend Rule V, Section 3, by adding an "(E)" to the title of Chief Latent Print Examiner. This amendment will lay over until the December 3, 2016, Regular Meeting for final adoption.
