In accordance with the provisions of Section 308-81(9) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

The work must be done according to the attached drawings and/or photos, any changes must be approved by HPC staff. New vent pipe for furnace if required should be located as far back as possible from front elevation and painted to match house. If pipe is stainless steel painting is not required. Install central A/C unit on grade in back of house next to foundation, not visible from street.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Paul Jakubovich of the Historic Preservation staff as follows: Phone: (414) 286-5712 Fax: (414) 286-0232 E-mail: [pjakub@milwaukee.gov](mailto:pjakub@milwaukee.gov).

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, [www.mkedcd.org/build](http://www.mkedcd.org/build), or call (414) 286-8210.
