

LEARN ABOUT RENEWABLE ENERGY UPCOMING WORKSHOPS AND EVENTS

The Midwest Renewable Energy Association offers training for individuals interested in becoming a renewable energy professional, such as solar installers and site assessors. The MREA offers ISPQ accredited training programs (one of only a few in the US). We have a number of events and workshops this fall in southeast Wisconsin. The MREA is partnering with the City of Milwaukee's solar program, *Milwaukee Shines*.

C 101.01	Energy Efficient Construction – Custer, WI	Oct 23
C 102.01	Sustainability and Natural Building – Custer, WI	Oct 24
C 104.01	Healthy Home Renovations – Custer, WI	Oct 24

RENEWABLE ENERGY EVENTS

Wednesday, September 29

Wisconsin's Solar Decade

Frontier Airlines Center

Be part of Wisconsin's Solar Decade! Join renowned industry experts for a one-day conference packed with everything you need to know about the benefits of solar energy for your home, business, and career! Get details at www.solardecade.com or call 715-592-6595.

Thursday, September 30 & Friday, October 1

SOLAR THERMAL '10

Frontier Airlines Center

SOLAR THERMAL '10 is a national conference and expo for the solar thermal professional. The Midwest Renewable Energy Association invites you to the premier professional level conference devoted to solar heating and cooling. You won't want to miss our Thursday evening reception at Lakefront Brewery!

Stay a day, and learn more! SOLAR THERMAL '10 attendees receive a discounted workshop price on MREA workshops slated for October 2 in Milwaukee. See on reverse side for a listing of workshops. Get details at www.the-mrea.org or 715-592-6595.

Saturday, October 2

Milwaukee Solar Tour

Guided Bus Tour

9 AM - 1 PM

Open the door to renewable energy... The Milwaukee Solar Tour features a four-hour guided bus tour of area homes. Talk with installers and home owners about their experiences living with solar. Get basic information on technologies, financing resources, and details on Milwaukee's solar program, *Milwaukee Shines*. The Guided Bus Tour has limited seating. Tickets cost \$15, and help us cover the cost of the bus. The tour will run from 9 am - 1 pm. It will feature three sites in the Milwaukee area. Reserve your seat today!

If you cannot make the bus tour, you can still participate. Visit homes and business for free, open tours from between 10 am - 4 pm. Visit www.the-mrea.org to find a list of sites in southeast Wisconsin that will open their doors on Saturday, October 2 between 10am - 4pm. They are open for free tours, so please stop by!
