Dear Friend,

I greet you in faith, hope and harmony.

Knowing whom to call when you are in need can be a real lifesaver. This directory was developed to make it easier for you to get in touch with the right people on your very first try.

Not only have I included key contact information for Milwaukee County government, I've tried to include many commonly used numbers for the City of Milwaukee, the State of Wisconsin and community organizations. Please keep this directory close to your telephone as a handy reference.

I hope you continue to find this directory to be a useful tool and I look forward to hearing your responses associated on the survey.

Feel free to contact me at any time if I can be of assistance to you, peace and blessings.

A handwritten signature in black ink that reads "Elizabeth Cogg Jones". The signature is written in a cursive style with a large, looping initial "E".
