PREAMBLE

THIS AGREEMENT, is made and entered into at Milwaukee, Wisconsin, pursuant to the provisions of Section 111.70, Wisconsin Statutes, by and between the CITY OF MILWAUKEE, a municipal corporation, as municipal employer, hereinafter referred to as "City" and MILWAUKEE DISTRICT COUNCIL 48, AFSCME, AFL-CIO, and its appropriate affiliated Locals 33, 40, 47, 381, 423, 426, 428, 550, 952, 1091, 1238, 2754, and any other local of City employees in the certified bargaining unit, chartered by the AFSCME, AFL-CIO, as representative of employees who are employed by the City of Milwaukee, shall be treated as one party and hereinafter referred to as "Union".

The parties to this Agreement are desirous of reaching an amicable understanding with respect to the employer-employee relationship which exists between them and to enter into a complete Agreement covering rates of pay, hours of work and conditions of employment.

The parties do hereby acknowledge that this agreement is the result of the unlimited right and opportunity afforded to each of the parties to make any and all demands and proposals with respect to the subject of rates of pay, hours of work, and conditions of employment and incidental matters respecting thereto.

This Agreement is an implementation of the provisions of Section 111.70, Wisconsin Statutes, consistent with that legislative authority which is delegated to the Common Council of the City of Milwaukee, the statutes, and insofar as applicable, the rules and regulations relating to or promulgated by the City Service Commission, and uniformity of compensation provided for under the Municipal Budget Law, namely, Chapter 65 of the Wisconsin Statutes.

It is intended by the provisions of this Agreement that there be no abrogation of the duties, obligations, or responsibilities of any agency or department of City Government which is now expressly provided for respectively by: state statutes; charter ordinances; and ordinances of the City of Milwaukee except as expressly limited herein.

It is intended by the parties hereto that the employer-employee relationship which exists now and has heretofore existed by and between the City and the members of the Union, who are employed by the City, shall continue to be the same in the event this Agreement is terminated or

by virtue of its terms becomes terminated.

ARTICLE 1

DURATION OF AGREEMENT AND TIMETABLE

- 1.1. This Agreement shall be in effect beginning at 12:01 a.m. on January 1, 2010, and ending at 12:01 a.m. on January 1, 2012, unless both parties agree to extend it beyond that date.
- 1.2. Not earlier than June 15, 2011, nor later than July 1, 2011, the Union shall give the City written notice in accordance with NOTICES Article of this Agreement, indicating areas in a succeeding labor Agreement in which changes are requested; conferences and negotiations shall be carried on by the parties beginning 30 calendar days following the date such notice is provided.

ARTICLE 2

NEGOTIATIONS

- 2.1 Either party to this Agreement may select for itself a negotiator or negotiators for purposes of carrying on conferences and negotiations under the provisions of Section 111.70, Wisconsin Statutes, as each party may determine. No consent from either party shall be required in order to name a negotiator or negotiators.

ARTICLE 3

SUBORDINATE TO CHARTER

- 3.1. In the event that the provisions of this Agreement or its application conflict with the legislative authority delegated to the City Common Council, or the City Service Commission (which authority being set forth more fully by: The Milwaukee City Charter; the statutory duties, responsibilities and obligations of the City Service Commission as they are provided for in Sections 63.18 through 63.53 of the Wisconsin Statutes; The Municipal Budget Law, which is set forth in Chapter 65 of the Wisconsin Statutes; or other applicable laws or statutes) then this Agreement shall be subordinate to such authority.

ARTICLE 4

ORDINANCE AND RESOLUTION REFERENCE

- 4.1. This Agreement contains benefits and the terms and conditions under which they are provided employees. The City may establish ordinances, resolutions and procedures to implement and administer these benefits. These ordinances, resolutions and procedures, as well as any other City ordinances or resolutions providing benefits to employees, shall not be deemed a part of this Agreement, nor shall they add to, modify, diminish or otherwise vary any of the benefits or obligations provided in this Agreement, unless the parties shall mutually consent in writing thereto. Other City ordinances and/or resolutions, or parts thereof, in effect on the execution date of this Agreement that do not conflict with the specific provisions of this Agreement shall remain in force and effect.

ARTICLE 5

NOTICES

- 5.1. All notices required to be sent by the Union to the City shall be in writing and sent by certified mail to the City Labor Negotiator.
- 5.2. All notices to be sent by the City to the Union shall be in writing and sent by certified mail to the Executive Director of the Union.
- 5.3. Subject to their mutual consent, the City and the Union may waive the certified mail requirement provided above where they deem it appropriate.

ARTICLE 6

MANAGEMENT RIGHTS

- 6.1. The Union recognizes the right of the City to operate and manage its affairs in all respects in accordance with its responsibilities. Any power or authority which the City has not officially abridged, delegated or modified by this Agreement is retained by the City.
- 6.2. The Union recognizes the exclusive right of the City to establish reasonable work rules. The City will notify the Union in advance of changes in written work rules

except in emergencies. Any dispute with respect to these work rules shall not in any way be subject to final and binding arbitration, but any dispute with respect to the reasonableness of a work rule involving matters primarily related to wages, hours, and conditions of employment may be subject to final and binding arbitration and in such cases the arbitrator's decision shall be strictly limited to a determination of reasonableness. This provision is intended to expand but not to limit the right to arbitration set forth elsewhere in this Contract.

- 6.3. The City shall have the right to determine reasonable schedules of work and to establish the methods and processes by which such work is performed.
- 6.4. The City has the right to schedule and assign regular and overtime work as required.
- 6.5. The City reserves the right to discipline or discharge for cause.
- 6.6. The Union recognizes that every incidental duty connected with an operation enumerated in a job description is not always specifically described, nevertheless, it is intended that all such duties shall be performed by the employee.
- 6.7. The City reserves the right to layoff for lack of work or funds, or the occurrence of conditions beyond the control of the City, or where the continuation of work would be wasteful and unproductive.
- 6.8. The City has statutory and charter rights and obligations in contracting for matters relating to municipal operations. The right of contracting or subcontracting is vested in the City. The right to contract or subcontract shall not be used for the purpose or intention of undermining the Union or to discriminate against any of its members. The City agrees to a timely notification and discussion in advance of the implementation of any proposed contracting or subcontracting. The City agrees it will not lay off any employees who have completed their probationary period and who have regular civil service status at the time of the execution of this agreement because of the exercise of this contracting or subcontracting right except in the event of an emergency, strike or work stoppage, or essential public need where it is uneconomical for City employees to perform this work. The economies above will not be based upon the wage rates of the employees of the contractor or subcontractor,

and provided it shall not be considered a layoff if the employee is transferred or given other duties at the same pay.

6.9. The fact that an employee is in, or may become in a laid-off status shall not prevent the City from exercising its right to contract or subcontract work as long as the contracting or subcontracting does not cause the layoff of an employee or cause the elimination of the job the employee performed.

6.10. When City departments are merged or separated, the City will give the Union reasonable and timely notice and an opportunity to present its position when bargaining unit personnel are involved and affected by the City's proposed action.

ARTICLE 7

RECOGNITION

7.1 The City recognizes the Union as the exclusive collective bargaining agent for the appropriate certified bargaining units and as the certified representative for those employees in these bargaining units occupying the classifications as defined in the appropriate "Certifications of Representatives" promulgated by the Wisconsin Employment Relations Commission. The Union recognizes its responsibility to cooperate with the City to assure maximum service at minimum cost to the public consistent with its obligations to the employees it represents.

ARTICLE 8

UNION NEGOTIATING COMMITTEE

8.1. The Union shall advise the City of the names of its negotiators. One or more representatives from the Union shall be paid their regular base salary up to a combined maximum of 400 work-hours for time spent in attendance at official negotiating meetings between the City and the Union as directed by the Director of Milwaukee District Council #48, AFSCME, AFL-CIO. No payment will be made for time outside the representatives' normal work day and in no event will payment be made for time in excess of eight hours per day. Reasonable travel time from site

of employment to site of meeting will be allowed.

8.2. The names of the duly chosen representatives of the bargaining unit shall be submitted to the City Labor Negotiator sufficiently in advance of regularly scheduled negotiating meetings to permit notification of the appropriate City departments.

8.3. The City Labor Negotiator shall interpret and administer the provisions of this section.

ARTICLE 9

NON-DISCRIMINATION

9.1. The parties agree that there shall be no discrimination against any bargaining unit member because of race, color, creed, sex, age, nationality, political affiliation, religious affiliation, sexual preference or handicap.

ARTICLE 10

LIMITATIONS UPON UNION ACTIVITY

10.1. No Union member or officer shall conduct any Union business on City time except as specified in this Agreement.

10.2. No Union meeting shall be held on City time.

ARTICLE 11

BULLETIN BOARDS

11.1. The City will furnish for the Union one bulletin board at each of the agreed locations. The board shall be used only for the following notices:

- (a) Recreational and social affairs of the Union.
- (b) Union meetings.
- (c) Union elections.
- (d) Reports of Union committees.
- (e) Rulings or policies of the International Union.

11.2. Notices and announcements shall not contain anything political or controversial or any thing reflecting upon the City, any of its employees, or any labor organization among its employees. No material, notices, or announcements which violate the

provisions of this section shall be posted.

- 11.3. Any Union-authorized violations of this section shall entitle the City to cancel immediately the provisions of this section and remove the bulletin boards.

ARTICLE 12

DUES & FAIR SHARE DEDUCTIONS

- 12.1. An employee may authorize the City to deduct Union dues from their paycheck by executing an authorization card and submitting it to a City designated administrator. The check-off shall become effective two (2) pay periods after filing.
- 12.2. Any local shall be granted deductions for up to 26 or 27 pay periods, whichever is appropriate, upon submission of a necessary affidavit and certificate to the City Labor Negotiator.
- 12.3. The City will deduct from the biweekly earnings of all employees represented by Milwaukee District Council #48, AFSCME, AFL-CIO and its appropriate affiliated locals, who have not authorized dues deductions by dues deduction cards, a fair share amount that is equal to that part of the monthly dues certified by the Union as the dues deduction uniformly required of all members of each appropriate and affiliated local, and pay this amount to the Treasurer of the Union within ten (10) days after the payday from which the deduction was made. The City reserves the right to stop, withhold or modify fair-share deductions for employees or positions in question until resolved by mutual agreement or by the Wisconsin Employment Relations Commission. The certification by District Council #48 shall also include the jurisdiction (positions in divisions, bureaus, departments, etc.) of each appropriate and affiliated local. Any changes in local jurisdiction during the term of this Agreement shall be by mutual consent.
- 12.4. The Local Union shall file a report with the Division of Labor Relations certifying the amount of the employee dues deduction that is uniformly required of all employees represented by the Local Union. Changes in uniform employee dues or fair share amounts to be deducted shall be certified by the Local Union and filed with

the Division of Labor Relations at least four (4) weeks before the start of the pay period the changed deduction is to be effective.

- 12.5. The dues or fair-share deduction will be made to the Union which represents the employee the majority of their time in the pay period. If the time is equal, the dues or fair-share deduction will be made to the Union representing the employee the majority of time in the last week of the pay period.
- 12.6. The City will honor only dues deduction cards which authorize dues to the certified bargaining unit which represents the employee or dues deductions authorized by employees in positions, divisions or bureaus not now certified to be represented by a certified bargaining unit. No dues or fair-share deductions will be made from the earnings of managerial, supervisory or confidential employees.
- 12.7. The City will provide the Union with a list of employees from whom dues or fair-share deductions were made with each biweekly remittance to the Union.
- 12.8. The Union shall, at its sole cost and expense, fully indemnify, defend and hold harmless the City, its officers, agents and employees against any and all claims, suits, actions or liability of judgments for damages (including, but not limited to, expenses for reasonable legal fees and disbursements of the City, if any) arising from any objections to or contesting of the validity of any dues or agency shop deductions or the interpretation, application or enforcement of this provision.

ARTICLE 13

JOINT LABOR-MANAGEMENT COMMITTEES

- 13.1. The City and the Union will have the following joint labor/management committees:
 - a. Joint Seniority Committee

A four-member committee, two appointed by the City Labor Negotiator and two appointed by the Union shall meet at the call of any committee member for the purpose of exploring and, if possible, agreeing on practical means - not inconsistent with department needs and requirements - of giving recognition to the principals of departmental seniority preference in areas of practical

application.

The parties shall be bound by agreements reached within the committee whether such agreements are based on operational employing unit, department or City-wide application.

b. Joint Safety Committee

The parties will have a joint committee on safety to be composed of an equal number of Union representatives and City representatives. This committee is authorized to make recommendations on safety to the City Labor Negotiator.

c. Joint Health Care Cost Containment Committee

A six-member committee, three appointed by the City Labor Negotiator and three appointed by the Union shall function to review City health insurance experience data, study methods of cost control, educate employees regarding health insurance utilization and health care, and make recommendations to the City Labor Negotiator concerning these matters.

d. Joint Early Intervention Committee

An advisory committee shall be established in accordance with the June 23, 1994 agreement between the City and the Union.

e. Joint Labor Management Committee on Reorganized Positions

An advisory joint committee of equal labor and management representatives shall be established to study the issue of allowing employees affected by a reorganization the right to appeal their classification and pay range to the City Service Commission. The Committee will make advisory recommendations to the City Labor Negotiator.

f. Joint Labor Management Committee on Sick Leave Usage/Terminal Leave

An advisory Joint Labor-Management Committee shall be established to discuss the issue of sick-leave usage and terminal leave. The Committee's recommendations may be implemented during the term of this Agreement.

g. Joint Labor Management Committee on CDL 2005 Regulations.

An advisory committee comprised of an equal number of labor and management

representatives shall be established to discuss the CDL changes for 2005. The committee will make advisory recommendations to the City Labor Negotiator.

ARTICLE 14

PROHIBITION OF STRIKES AND LOCKOUTS

- 14.1. The Union shall neither cause nor counsel its members, to strike, nor shall it in any manner cause them either directly or indirectly to commit any concerted acts of work stoppage, slowdown, or refusal to perform any customarily assigned duties for the City. Any local of the Union shall also be prohibited from taking the action enumerated in this section. However, whether or not the Union or a local, is liable for such acts or actions, any employee who commits any of the acts prohibited in this section may be subject to the following penalties:
- a. Discharge as provided for by law.
 - b. Other disciplinary action as may be applicable to the employee.
 - c. Loss of all compensation, vacation benefits, and holiday pay as determined by the City.
- 14.2. Upon notification confirmed in writing by the City to the Union that certain of its members are engaged in a wildcat strike, the Union shall immediately order its members to return to work in writing, provide the City with a copy of such an order, and a responsible official of the Union shall publicly order them to return to work. Such characterization of the strike by the City shall not establish the nature of the strike. Such notification by the Union shall not constitute an admission by it that a wildcat strike is in progress or has taken place or that any particular member is or has engaged in a wildcat strike. The notification shall be made solely on the representations of the City. In the event that a wildcat strike occurs, the Union agrees to take all reasonable, effective and affirmative action to secure the members' return to work as promptly as possible. Failure of the Union to issue orders and/or take action shall be considered in determining whether or not the Union caused, directly or indirectly, the strike.

- 14.3. The City will not lock out employees. If any employee is unable to work because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, the inability to work shall not be deemed a lockout under the provisions of this section.
- 14.4. In the event a dispute arises between the parties with respect to whether or not the Union or any of its locals has caused or authorized, either directly or indirectly, a strike, acts of work stoppage, slowdown, refusal to perform any customarily assigned duties, or in the event of a dispute arising as to whether or not the City has locked out employees, the disputes shall be determined in final and binding arbitration as set forth in this Agreement.

ARTICLE 15

DISCIPLINE

- 15.1. When it becomes necessary to institute disciplinary action, terminate, or discharge an employee who is a member of the bargaining unit, the City will give notice to the Union before taking action, except when in the judgment of the supervisor emergency action is necessary. In such cases, the Union will be notified as soon as practicable after the action has taken place. This provision has no application to a situation in which a warning letter is issued to an employee. The purpose of a warning letter is to notify the employee to correct deficiencies in conduct or job performance before discipline becomes necessary. Further, this provision is not to be construed as requiring a meeting with the Union except as provided in the grievance procedure of the contract.
- 15.2. Notice for non-emergency disciplinary situations shall not be subject to the provisions of NOTICES Article of this Agreement, requiring "certified mail," but shall be given, if during business hours, by the most expeditious means, to the Staff Representative or Liaison assigned to that Local at the Union office; or, if they are unavailable, to the President of the Local Union. For purposes of this section, a message left by the City on the voice mail of the Staff Representative or Liaison

assigned to that Local shall constitute one of the expeditious means of notification. Thereafter the notice is to be confirmed in writing within twenty-four (24) hours and if not during normal business hours, notice shall be given or confirmed on the next business day.

- 15.3. Any discipline imposed on an employee who is not subject to the jurisdiction of the City Service Commission shall be for just cause only, as defined in Rule XIII, Section 5, of the City Service Commission and other such appropriate rules.

ARTICLE 16

GRIEVANCE PROCEDURE

- 16.1. Only matters involving the interpretation, application or enforcement of the terms of this Agreement shall constitute a grievance under the provisions set forth below.
- 16.2. Step One. An employee who has a grievance shall first present the grievance orally to the employee's immediate supervisor, either alone or accompanied by a Union representative, within thirty (30) working days of either the occurrence of the incident leading to the grievance or the Union's knowledge of such incident, whichever is later.
- 16.3. Step Two. If the grievance is not settled at the first step, it shall be reduced to writing and presented to the Division Head or his/her designee within ten (10) working days of the completion of Step One. Within ten (10) working days of his/her receipt of the written grievance initiation, or the Division Head or his/her designee shall furnish the employee and the Union with a written answer to the grievance.
- 16.4. Step Three. If the grievance is not settled at the second step, the Union may appeal in writing within ten (10) working days of the receipt of the second step answer to the department head or his/her designee who shall confer with the aggrieved and the Union and notify the aggrieved and the Union of a decision in writing within ten (10) working days from the date of such meeting.
- 16.5. When a grievance meeting is held at the third step of the grievance procedure, a

named employee who has filed a grievance, and the Union official or representative whose presence for the purpose of giving testimony is required, shall be given notice of at least twenty-four (24) hours before a meeting is held unless the grievant and the Union waive the requirement of this notice.

16.6. If a Union grievance is not settled at the third step, or if any grievance filed by the City cannot be satisfactorily resolved by conference with appropriate representatives of the Union, then the Union may proceed to the next step as provided.

16.7. Step Four.

If the answer of the Department Head or his/her designee upon a matter which can be submitted to final and binding arbitration is unsatisfactory to the Union, and the Union advances the grievance to arbitration, it shall be reviewed at a meeting between the Labor Negotiator and the Director of the Union or their designees within 20 working days of the receipt of the letter from the Union to the City Labor Negotiator advancing the grievance to arbitration. The designated participants in the meeting shall be empowered to settle the grievance and no step in the arbitration process shall occur until such meeting has occurred or the parties by written agreement have waived such meeting. The City Labor Negotiator or his/her designee shall notify the Union of its decision in writing within 10 working days from the date of such meeting. If the Union has not received notification from the City Labor Negotiator within 10 working days from the date of such meeting, the City's third step disposition shall be considered to be upheld by the City Labor Negotiator and the Union may proceed with the arbitration process.

16.8. All written grievance appeals shall set forth the provision of the Agreement under which the grievance was filed.

ARTICLE 17

ARBITRATION PROCEDURE

- 17.1. No item or issue may be the subject of arbitration unless arbitration is requested in writing within 90 working days following the action or occurrence which gives rise to the issue to be arbitrated. A grievance shall not be the subject of arbitration if the arbitration hearing is not scheduled within one year from the date of the receipt of the notice of the intent to arbitrate, unless any one of the three parties has a legitimate reason for canceling the hearing.
- 17.2. Arbitration may be initiated by the Union serving upon the City a notice, in writing, of its intent to proceed to arbitration. The notice shall identify the contract provision upon which it relies, the grievance or grievances, the department, and the employees involved.
- 17.3. Unless the parties, within five working days following the receipt of the written notice agree upon an arbitrator, either party may, in writing, request the Wisconsin Employment Relations Commission to submit a list of five arbitrators to both parties. The parties shall within five working days of the receipt of the list meet for the purpose of selecting the arbitrator by alternately striking names from the list until one name remains.
- 17.4. Whenever one of the parties deems the issue to be of such significance as to warrant a panel of three arbitrators, each party shall, within five working days of the request to proceed to arbitration, appoint one arbitrator and the two arbitrators so appointed shall agree on a neutral person to serve as the third arbitrator and chairperson, who shall be selected in the manner and in the time specified for the selection of a single arbitrator.
- 17.5. For purposes of brevity, the term "arbitrator", shall refer either to a single arbitrator or a panel of arbitrators, as the case may be.
- 17.6. The following subjects shall not be submitted to arbitration:
- a. Provisions of the Agreement which relate to or in any manner affect the

obligations of the City as expressed or intended by the provisions of Chapter 65, Wisconsin Statutes.

- b. The statutory or charter obligations which are by law delegated to the Common Council.
- c. The elimination or discontinuance of any job, except as provided in the contracting and subcontracting provision of this Agreement.
- d. Any pension matter.
- e. Disputes or differences regarding the classification of positions, promotion of employees, and elimination of positions.

The specific exceptions noted above are not intended to limit the right of the Union to proceed to final and binding arbitration in disputes affecting the entitlement of employees to existing and established wages, hours and conditions of employment as specifically set forth in this Agreement.

- 17.7. No issue shall be subject to arbitration unless the issue results from an action or occurrence which takes place following the execution of this Agreement. In the event that this Agreement is terminated or breached for any reason, rights to arbitration shall cease. This provision, however, shall not affect any arbitration proceeding which was properly commenced prior to the expiration or termination of this Agreement.
- 17.8. In addition to all matters presently subject to arbitration, the Union shall have the right to submit all matters of discipline and discharge to arbitration in the same manner as now is being done for other arbitrable issues. If an employee elects to have their discipline or discharge case heard by the City Service Commission under the provisions of Section 63.43 or alternate procedures covered by Section 63.44 of the Wisconsin Statutes, the employee will be said to have waived their right to arbitration.
- 17.9. The arbitrator selected shall hold a hearing at a time and place convenient to the parties within ten (10) working days of the notification of selection, unless otherwise mutually agreed upon by the parties. The arbitrator shall hear evidence that in their

judgment is appropriate for the disposition of the dispute. Statements of position may be made by the parties and witnesses may be called. The arbitrator shall have initial authority to determine whether or not the dispute is arbitrable, under the express terms of this Agreement. Once it is determined that a dispute is arbitrable, the arbitrator shall proceed in accordance with this Article to determine the merits of the dispute submitted to arbitration.

- 17.10. No award of any arbitrator may be retroactive for a period greater than 90 working days prior to the formal request for arbitration as herein provided, nor shall it cover or include any period prior to the date of execution of this Agreement.
- 17.11. The arbitrator shall neither add to, detract from, nor modify the language of this Agreement in arriving at a determination of any issue presented that is proper for arbitration within the limitations expressed herein. The arbitrator shall have no authority to grant wage increases or wage decreases.
- 17.12. The arbitrator shall expressly be confined to the precise issue submitted for arbitration and shall not submit declarations of opinion which are not essential in reaching the determination of the question submitted unless requested to do so by the parties. It is contemplated by the provisions of this Agreement that any arbitration award shall be issued by the arbitrator within sixty (60) working days after the notice of appointment unless the parties to this Agreement shall extend the period in writing by mutual consent.
- 17.13. All expenses involved in the arbitration proceeding shall be borne equally by the parties. Expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with the proceeding shall be borne by the party at whose request the witnesses or depositions are required.

ARTICLE 18

SENIORITY FOR LAYOFF PURPOSES

18.1. Effective Date

This Article shall become effective on August 5, 1990; prior to that date, the provisions of Article 18 of the 1987-1988 City/Union Labor Contract, entitled,

Seniority for Layoff Purposes shall be applicable.

18.2. Seniority

- a. Seniority for layoff purposes is defined as the relative status of an employee in a particular job and job title within a department represented by the Union, based upon the employee's regular appointment date to such job, or the date he/she transferred to such job on a City Service Commission approved transfer except that:
 - (1) The seniority date of employees who, prior to August 5, 1990, are promoted to a management or supervisory position not covered under 18.2.f. of this Article or transferred or promoted to a position represented by another bargaining unit not covered by 18.24. of this Article and who return to a position in the bargaining unit prior to December 31, 1990, shall be adjusted to exclude any time spent in a position not represented by the Union. Thereafter, the seniority date of such employee who returns after December 31, 1990, shall be determined pursuant to 18.2.a(2).
 - (2) The seniority date of employees who, on or after August 5, 1990, are promoted to a management or supervisory position not covered under 18.2.f. of this Article or transferred or promoted to a position represented by another bargaining unit not covered under 18.25 of this Article, shall be based upon the employee's date of return to a position represented by the Union.
 - (3) The seniority date of employees who, as a result of loss of grant funds, return from a position not represented by the bargaining unit to a position in the bargaining unit shall be adjusted to exclude any time spent in a position not represented by the Union.
 - (4) The seniority date of employees who, on or after January 20, 1998, are employed for an average of forty (40) hours per pay period on a regular basis shall be adjusted to exclude forty (40) hours per pay period for each such pay period following the execution date of this Agreement. Adjustments shall be made by the Department of Employee Relations using their administrative procedures. This paragraph does not apply to employees affected by seasonal

layoffs.

- b. For the time period that an employee is covered under 2.f. of this Article, such employee's time in management during that time period shall not be used to adjust his/her date to such job pursuant to 2.a. of this Article.
- c. In case of a reduction of an affected employee to a lower classification, the seniority the affected employee had in other job titles and jobs within both the bargaining unit and the department will be added. The term, "lower classification," shall mean any classification having a maximum step pay rate (excluding special attainment steps) less than the maximum step pay rate of the classification the affected employee occupied immediately prior to the reduction.
- d. Subsections a. and c. shall be subject to the terms and conditions provided in section 18.25, hereof.
- e. Where general job titles exist and are involved in a prospective layoff, the uniqueness of a "job" will be determined by the City on the basis of whether it is the City's current practice generally to conduct separate examinations for entry into the positions or the employees have customarily entered the position by City Service administrative promotions, or extensive specialized training in excess of five (5) months is required after appointment.
- f. In the event of a seasonal layoff of an employee with seniority status in this bargaining unit and management, the employee will continue his/her layoff/recall rights as historically exercised in the department. An employee shall no longer exercise such seniority bumping rights after working a full calendar year in management.

18.3. DPW Main Division Status

An employee working as a City Laborer (Seasonal) or City Laborer (Regular) shall have his/her seniority determined as follows:

- a. An employee initially hired by DPW prior to 1985 who spent the majority of his/her DPW Labor Pool work time in a DPW Division(s) other than the Division of Sanitation between April 1 and October 31, inclusive, during the time period

comprising the 1984, 1985 and 1986 growing/construction seasons shall be deemed to have "Main Division" status in the DPW Division where he/she worked the majority of time during that period.

- b. An employee initially hired by DPW prior to 1985 who spent the majority of his/her DPW Labor Pool work time in the Division of Sanitation between April 1 and October 31, inclusive, during the time period comprising the 1984, 1985 and 1986 growing/construction seasons shall be deemed to have Sanitation "Main Division" status.
- c. An employee initially hired by DPW in 1985 or 1986 shall be deemed to have "Main Division Status" in the DPW Division where he/she worked the majority of time between April 1 and October 31, inclusive, during the time period comprising the 1985 through 1987 growing/construction seasons.
- d. An employee initially hired by DPW in 1987 or thereafter shall have his/her "Main Division" status determined in accord with subsection 18.2.a.
- e. An employee who transfers into a DPW Division on a City Service Commission "approved transfer basis" shall be deemed to have "main division" status in that division.
- f. An employee who receives a regular appointment to a special laborer or crew leader classification shall be deemed to have "main division" status in the division in which he/she holds that special laborer or Crew Leader title.
- g. An employee who does not work in his/her "main division" for two consecutive seasons shall have his/her "main division" status re-determined by the City based on his/her overall record in the DPW Labor Pool.

18.4. DPW Labor Pool

The DPW Labor Pool, for purposes of this Article, comprises employees in the City Laborer (Regular) or City Laborer (Seasonal) classifications employed in DPW Divisions excluding the Division of Operations, Environmental Services, Sanitation Section.

18.5. DPW Labor Pool Recall

- a. A DPW Labor Pool employee with Forestry, and Infrastructure "Main Division"

status shall be recalled for the season by seniority to a vacancy in any of the divisions represented by the Union. When a DPW Labor Pool employee elects to waive recall to a DPW division other than his/her main division or Infrastructure Services Section and agrees to wait until jobs open in his/her main division, the City will temporarily not challenge unemployment compensation, so long as additional recalls in the employe's main division are projected for that season.

- b. In a reduction in force, City Laborers (Seasonal) who have less than eight months of service shall not be permitted to displace other City Laborers (Seasonal) who are employed in other division.
- 18.6 Effective Pay Period 1, 2010 thru Pay Period 26, 2011, there shall be no layoffs of bargaining unit employees with the exception of seasonal layoffs, layoffs due to loss of grant funding, or layoffs due to loss of reimbursement for specific programs or positions. This provision shall expire at the end of Pay Period 26, 2011.
- 18.7 For the purpose of layoff, up to three (3) local officers of the Union (the president and two additional officers designated by the Union) shall have seniority preference over all other employees in their particular job and job title within the department.
- 18.8. Should the City find it necessary to effect a reduction in its work force, it shall give the Union notice and in no case less than four (4) weeks prior to the effective date of the layoff of the initially affected employees. The City and the Union shall meet within three (3) working days of the notice to discuss layoffs. The City, at this meeting, shall provide the Union with a current seniority list of the affected job classification. At this meeting, the Union will identify those employees who are subject to the terms of section. 18.7., above.
- 18.9. When layoffs are occasioned by an emergency or when the duration is not expected to exceed twenty (20) working days, the foregoing provisions regarding notice and the rules hereinafter set forth shall not apply. In such cases, the City shall notify the Union immediately of the situation and shall meet with the Union within three (3) working days to fully apprise it of its reasons for the layoff and its expected duration.
- 18.10. When seasonal layoffs and subsequent bumps occur in DPW divisions whose employees

are represented by the Union, the notification and meeting requirements applicable to the City in sections 18.7 and 18.8, above, shall not apply.

- 18.11. When seasonal layoffs or recalls occur in classifications where subsequent layoffs or recalls are likely or in work activities in which the last work will be performed in subsequent weeks, the City shall have the right to lay off or recall employees out of their order of seniority for a period of up to twenty (20) work days.
- 18.12. When it becomes necessary to reduce the work force in a particular job, the employee with the least seniority in the job and job title within the department shall be laid off and bump the least senior employee holding a job and job title within such department which the affected employee previously held if:
 - a. The affected employee has more seniority;
 - b. The affected employee is capable of performing the job of the employee with lesser seniority; and
 - c. The affected employee transfers or bumps to a position in the same or a lower pay range.
- 18.13. When an employee with insufficient seniority has, in the judgment of the City and the Union, an obvious ability to perform a related job within the same division in the same or lower pay range held by an employee or employees with lesser seniority than the employee, the City and Union may discuss and determine placement of the affected employee in such job. When these conditions are met and the City and the Union are in a disagreement, an affected employee who meets minimum City Service Commission qualifications shall be given an appropriate qualifying examination and/or appropriate physical examination as the case may be. This exam shall only be given if the City receives a written request for it from the employee within two weeks of the date the employee received his/her layoff/transfer notice. The employee shall be allowed to take a transfer or bump if he/she achieves a passing grade on the exam.
- 18.14. An employee with no other recourse by reason of seniority to secure a position under sections 18.12 or 18.13 may bump an employee with lesser seniority in a job within the department within the title of:

City Laborer (Seasonal)
City Laborer (Regular)

provided the employee is capable of performing the job. When the City and Union are in disagreement over such capability, the affected employee shall be given by the City an appropriate qualifying exam and/or appropriate physical/medical examination as the case may be; the affected employee shall be allowed to take a City Laborer job if he/she achieves a passing grade on the exam and/or is medically approved for that job.

18.15. Whenever an employee with ten (10) years of seniority service in a given department is promoted or transferred to another department and is subsequently affected by a reduction in force in the new department that would result in a discontinuation of the employee's service with the City, the employee shall have an option (which must be exercised, if at all, within five (5) work days of the employee's notice of such reduction in force) to return to their former department and thereupon exercise the seniority rights as the employee had in their former department in accordance with sections 18.12, 18.13 and 18.14, above.

18.16. Breaks in Seniority

- a. Union bargaining unit seniority shall be broken when an employee:
 - (1) Retires;
 - (2) Resigns from City Service;
 - (3) Is discharged and the discharge is not reversed.
 - (4) Is terminated during his/her initial probationary period;
 - (5) Is not recalled from a layoff for a period of three (3) years if the layoff results in a discontinuation of the employee's service with the City;
 - (6) Is recalled from a layoff and does not report for work within three (3) calendar weeks; or
 - (7) Does not return at the expiration of a leave of absence; or
 - (8) Successfully completes the probationary period for a position outside the Union bargaining unit, except as provided in subsections 18.2.f. and 18.25.
- b. Classification seniority shall be broken when an employee:

- (1) Is terminated during a probationary period;
- (2) Is voluntarily or involuntarily demoted, or
- (3) Is not recalled from a layoff for a period of eleven (11) years if during the layoff the employee's service with the City is continuous;

In the case of (2), above, if the employee is reinstated or promoted to the position from which he/she was demoted, the date of such reinstatement or promotion shall become the employee's classification seniority date unless otherwise determined by the City Service Commission.

- 18.17. A senior employee who bumps to a position in a lower pay range held by an employee with less seniority shall be paid at the normal maximum of the pay range in which the job falls. An employee who takes a position in a rate range which has special attainment steps, who meets the qualifications prescribed, or who would have qualified for them on the date the appropriate contract became effective, shall be paid the appropriate step. In no event shall an employee, by application of this provision, be paid in excess of the rate of pay they were earning prior to their reduction.
- 18.18. When an employee who has been reduced in rank from a position they previously held, is recalled to a job classification in a pay level above their current position but lower than the pay levels of the original position, they will be paid at a rate nearest the rate paid in the original position. In no event shall an employee by application of this clause, be paid in excess of the rate of pay they were earning prior to their reduction. This paragraph will not apply to the laborer and other positions now covered by the "time in grade" rules for positions affected by seasonal fluctuations. Effective with the 1993-1994 winter season, all employees holding seasonal positions, including Public Works Inspectors, bumping into a lower level position shall be placed in the appropriate pay step of such lower level position based on time-in-grade rules provided that the employee had not previously been advanced to a higher pay step under the terms of the prior labor agreement.
- 18.19. Recall to the job a laid-off employee held shall be by application of seniority in

reverse order of layoff. An employee who does not bump at the time of layoff to a lower rated job shall not be recalled until the job and job title he/she held at the time of his/her layoff again becomes available.

- 18.20. When an employee bumps to a previously held position in another DPW division, or City Department, he/she will be reinstated upon the employee's request to current promotional eligible lists still in effect that he/she was on before being promoted.
- 18.21. Employees in an affected job and job title having the same starting date shall have their relative seniority status determined by their examination rank on the eligible list and where ranks do not prevail, seniority shall be determined by lot at the Division of Labor Relations with a Union representative present.
- 18.22. An employee hired by the City directly into a manpower program or training project, such as the Comprehensive Employment Training Act, which depends for its continued existence on the availability to the City of federal or state funds, is not to be regarded as subject to the protection of the provisions of this Article.
- 18.23. An employee placed by the City on a regular appointment basis under City Service Commission rules and regulations into a program or project which depends for its continued existence on the availability to the City of federal or state funds, other than a manpower or training program, shall be regarded as subject to the protection of the provisions of this Article. An employee who is placed into one of these programs or projects who has attained City Service status at the time of entry into the program or project shall continue to accrue seniority during the course of their service in the program or project and shall be regarded as subject to the protection of the provisions of this Article. Any new program or project which depends for its continued existence on the availability to the City of federal or state funds shall be subject to the protection of the provisions of this Article upon mutual consent of the City and the Union.
- 18.24. a. Except as provided in section 18.25, this Article shall only apply to positions represented by the Union in the following Departments and to any other departments that are certified into one of the Union bargaining units during the

duration of this Agreement:

Department of Public Works
Library
Health
Neighborhood Services
City Development
Department of Administration/Information Technology Management Division

City Attorney
Common Council/City Clerk
Department of Administration/CBGA
Department of Employee Relations

b. Each of these departments or divisions of departments listed above, will be administered as a separate unit for purposes of seniority in case of layoff except as follows:

- (1) when an employee employed in the Port of Milwaukee has no other recourse by reason of seniority to secure a position in the Port of Milwaukee under sections 18.12 or 18.13, he/she may bump an employee with lesser seniority in the job title of City Laborer (Seasonal) or City Laborer (Regular) located in the Department of Public Works provided the employee is capable of performing the job. For purposes of calculating seniority, the employee's time in the Port of Milwaukee shall be counted as seniority in the Department of Public Works.
- (2) an employee shall retain previous bargaining unit seniority within former titles continuously held in the Health Department, Department of City Development or Building Inspection; whichever is appropriate, for purposes of determining relative seniority for layoff purposes within the Department of Neighborhood Services.

18.25. Inter-Union Bumping

a. Except as provided in subsection 18.25.b, below, there shall be no bumping of

employees between positions represented by the Union and positions in a WERC-certified bargaining unit represented by another union.

- b. Bumping of employees between positions represented by the Union and positions in a WERC-certified bargaining unit represented by another union shall be limited to the below-listed WERC-certified bargaining units and shall only be permitted if and when either:
- (1) The seniority/bumping provisions of the effective labor contract between the City and the other union listed below specifically allow for inter-union bumping; or
 - (2) Such contract does not contain a specific seniority/bumping provision but during its effective term continues the practice of allowing employees in the Union bargaining unit to take seasonal promotions to positions it is certified to represent.

The WERC-certified bargaining units where inter-union bumping is allowed comprise:

- (1) Public Employees' Union Local #61

- (3) Milwaukee Building and Construction Trades Council

represented by another union as permitted hereunder shall be governed by the applicable bumping rules (including unwritten rules established and maintained by practice) in the effective labor contract between the City and the other union, including limits on the number of positions, and their location/description, to which such employees may bump. From time to time, if the City and any of the above-listed four WERC-certified bargaining units negotiate new inter-union bumping rights, or changes in existing bumping rights, affecting the positions they are certified to represent in effective labor contracts they have with the City, then those provisions shall govern the bumping rights employees covered by this Agreement have to positions in those other bargaining units.

ARTICLE 33

DUTY INCURRED DISABILITY PAY

Effective as soon as administratively practicable after January 20, 1998, "Injury Pay" (Duty Incurred Disability Pay) shall be as stated in Sections 33.1 through 33.8, below. Prior to that date, benefits shall be as stated in Sections 33.1 through 33.8 of the 1995-1996 City/Union labor agreement.

33.1. An employee with regular Civil Service status, who sustains an injury while

performing within the scope of his/her employment, as provided by Chapter 102 of the Wisconsin Statutes (Worker's Compensation Act), may receive up to 80% of his/her base salary, as "injury pay," in lieu of Worker's Compensation for the period of time he/she may be temporarily, totally or partially, disabled because of this injury, not to exceed a total of one calendar year. For an employee receiving eighty (80) hours of "injury pay" in a pay period, the "injury pay" of the employee for such pay period shall not exceed the amount of net pay he/she would have received if he/she had not been on "injury pay" during such pay period. For purposes of this Article, net pay is defined as the employee's base salary minus the following, as determined by the City: (1) FICA withholding, (2) Medicare withholding and (3) the federal and state income tax withholding as prescribed by law for the pay period immediately prior to the pay period for which he/she is determined to be eligible for "injury pay". For an employee receiving less than eighty(80) hours of "injury pay" in a pay period, the "injury pay" of the employee for such hours shall be 80% of his/her base salary.

- 33.2. An employee may not receive "injury pay" for more than one year (250 working days) during his/her employment regardless of the number of compensable injuries sustained. For an employee receiving eighty (80) hours of "injury pay" in a pay period, the employee may not receive less than the minimum amount required by the Worker's Compensation Act.
- 33.3. In providing "injury pay" in an amount as indicated in Sections 33.1 and 33.2, the employee agrees to allow the City to make the applicable payroll adjustment to his/her biweekly pay check and make no subsequent claim for this amount whatsoever. This deduction shall be administered so as not to reduce the employees' pension benefits. For purposes of interpretation of the provisions of this Article, the term, base salary, shall mean the employee's base salary pay rate in effect during the pay period he/she is receiving "injury pay".
- 33.4. After "injury pay" benefits have been exhausted, an employee shall have the option of accepting sick leave benefits or accepting Worker's Compensation temporary

disability benefits. This option, which shall be in writing, may be terminated without prejudice to temporary total, or temporary partial disability benefits under the Worker's Compensation Act, but such termination shall not be retroactive and any sick leave already used at the time of the termination of the option shall not be restored to the employee.

33.5. Questions involving eligibility for "injury pay" shall be determined under the applicable law and the substantive and procedural rules of the Department of Industry, Labor and Human Relations relative to Worker's Compensation and in the event of a dispute between the City and the employee relative to such eligibility, the Department of Industry, Labor and Human Relations and the courts, upon the statutorily prescribed review thereof, shall be the sole and final arbiters of such dispute.

33.6 Notwithstanding 33.1 through 33.5, above, an employee who has not successfully completed his/her initial probationary period with the City shall not be entitled to "Injury Pay" (Duty Incurred Disability Pay).

33.7. If the Internal Revenue Service (IRS) determines that the "injury pay" benefits provided hereunder are taxable as wages, then beginning with the effective date of this determination, the City will no longer require the applicable employee deduction from "injury pay" benefits provided for in Section 33.3.

33.8 In all third-party claims or actions, the City shall not be limited in its recovery to the amount of temporary disability benefits which would otherwise have been payable under the Worker's Compensation Act, but shall instead be entitled to recover the amount of "injury pay" received by the employee. If because of a third party involvement in any duty-incurred injury, the City receives a portion of the monies that had been paid to employees as duty-incurred disability pay, the employees shall have a corresponding number of duty-incurred disability pay days restored to his/her account.

ARTICLE 34

- 34.3. An employee who receives "injury pay" or who takes military leave shall be allowed to accumulate vacation time at the rate prescribed for under 34.1.

- 34.5. An employee who works year-round may carry over up to five (5) days of vacation entitlement into the following year. This vacation carryover shall be subject to scheduling procedures as determined by the department head. Vacation entitlement which is carried over shall be utilized within the first three (3) months of the year, unless otherwise authorized by the department.
- 34.6. Eligibility for a vacation shall begin after the completion of twelve (12) months of actual service following appointment, but accumulations shall be retroactive to the time of

appointment. An employee whose service is expected to continue so as to complete a year's actual service may, after six (6) months of service, be allowed vacation within the year of appointment if the convenience of the service would be promoted. If the employee leaves the service of the City before the completion of the initial 12-month period, that vacation shall be deemed unearned, and payments made during the vacation period shall be deducted upon termination of employment. Employees who are not expected by the department head to work 12 consecutive months shall be eligible for vacation only after completing twelve (12) months of service.

- 34.7. Vacation time taken before the full amount has been earned shall be considered time owed the City until it is earned. Any employee who leaves the service of the City due to resignation, retirement, termination, discharge, layoff, or death will have the compensation for vacation time owed the City deducted from the final payroll. Any employee who leaves the service of the City due to resignation, retirement, layoff, or death, or who takes military leave, will be paid for earned vacation time that has accumulated. A discharged employee is not entitled to pay for accumulated vacation time.
- 34.8. The anniversary date for vacation eligibility will not change after an employee achieves regular Civil Service employment status. The freezing of the anniversary date for vacation eligibility purposes will neither diminish nor increase vacation days earned.
- 34.9. The City shall make every reasonable effort to avoid changes in an employee's schedule of hours of work which would require an employee to work during a previously scheduled vacation period of five (5) days or more in duration.
- 34.10. Vacations may be divided into two or more periods if thought advisable by the respective department heads. The department head shall determine when vacation periods shall be granted, the practical considerations involved in the efficient operation of the department, and give due consideration to the convenience of the employee.
- 34.11. An employee scheduling a two-week vacation which by its term starts with a regular Monday work day shall be guaranteed that he/she will not be scheduled for regular or

overtime work (a) on the Saturday or Sunday before the vacation starts; or (b) on the Saturday or Sunday succeeding the vacation period. It is understood that the provision of this vacation guarantee might necessitate some changes in vacation scheduling in the affected areas.

During the term of this Agreement, Basic Plan health insurance benefits shall be the same as the Basic Plan benefits that were provided in the 2007-2009 City/Union Agreement, except for the following changes in these benefits:

- (1) Every medical procedure that can be performed on an outpatient basis shall not be covered by these benefits when the procedure is performed on a hospital inpatient basis. Procedures that can be performed on an outpatient basis that are done on an inpatient basis in conjunction with other procedures requiring inpatient status, or any procedures performed on an inpatient basis that constitute a medically verifiable exception (as determined by the Utilization Review Contractor) to the requirement that it be performed on an outpatient basis, shall be covered.
- (2) Existing benefits provided under the "Hospital Surgical-Medical Contract Base Coverage" part of the Basic Plan for inpatient hospital treatment of alcoholism, drug abuse and nervous and mental disorders, shall be available to each participant for a maximum of thirty (30) days during any one calendar year; provided, however, that for inpatient hospital treatment of nervous and mental disorders only, an extension to such maximum of no more than 30 additional days during the calendar year may be allowable where such extension is medically justifiable. All other provisions in respect to such benefits shall remain unchanged. Existing benefits provided under the "Major Medical Coverage" part of the Basic Plan for inpatient hospital treatment of alcoholism, drug abuse and nervous and mental disorders shall remain unchanged.
- (3) The existing per participant maximum aggregate allowance limitation during each calendar year on benefits providing outpatient services for alcoholism, drug abuse and nervous and mental disorders rendered in the outpatient department of a hospital or in an Outpatient Treatment Facility or a physician's office, that are provided under the "Hospital Surgical-Medical Contract Base Coverage" part of the Basic Plan shall be two thousand dollars (\$2,000); all other provisions in respect to such benefits shall remain unchanged. Elective procedures subject to the UR/CM program shall include all treatments for mental health disorders and substance abuse and home health care services. The program is an independent review that assures each patient that the proposed hospitalization is necessary, based upon the medical condition of the patient, delivered in the most appropriate medical setting (inpatient or outpatient) and fair and equitably priced. Whenever an elective procedure is recommended for an employee, or his/her dependents, by a physician, the employee shall be required to notify the designated UR/CM program representative of this fact by telephone at the time such procedure is recommended, in accordance with procedures established by the Employee Benefits Manager for that purpose. Any elective procedure not submitted to the designated UR/CM program representative shall not be covered by these benefits. UR/CM shall determine whether or not a procedure is elective. Within 48 hours of the hospital admission time for any urgent or emergency procedure performed on an employee, or his/her dependents, the employee or adult responsible for him/her, shall be required to notify the designated UR/CM program representative of this fact by telephone in accordance with procedures established by the Employee Benefits Manager for that purpose; provided however, that if bona fide medical circumstances applicable to the

employee preclude compliance with the 48-hour notification requirement, UR/CM shall authorize a reasonable extension of this time limit consistent with such medical circumstances or the availability of an adult responsible for the employee. Following its review of an elective procedure contemplated for an employee, or his/her dependents, UR/CM will inform the employee of its determination in respect to approval or denial of the procedure.

- (5) In conjunction with and for the length of the UR/CM program, the City will incorporate changes in plan design that facilitate cost reductions through the use of alternative medical care facilities or medical procedures as prescribed by an employee's physician and approved by UR/CM. These alternatives will be paid for at 100%. Any second surgical opinion required by UR/CM will be paid for at 100%.
- (6) A medical "hot-line," as established by the City shall remain in effect. This "hot-line" shall put employees and their families in immediate touch with health care professionals for information on the value, availability, use and price of the various health care services in the area. Employee use of the "hot-line" program shall not be mandatory.

If the grievance is not resolved in step 3 above, the Union representative may, within twenty (20) days of receipt of the answer from the Chief's panel, appeal the grievance to the Chief. Failure to appeal said answer within this prescribed period of time shall constitute a settlement of the grievance. Such appeal shall be in writing and therein a request should be made for a meeting between the Chief of Police, the grievant and the Union Representative. At the meeting, to be held at a mutually

agreeable time, the parties shall discuss the grievance and the various answers and decisions in regard thereto in good faith in an attempt to resolve the grievance.

Within fifteen (15) days after the meeting, the Chief shall, in writing, advise the Union representative as to the Chief's decision with respect to the grievance. If a Union grievance is not settled at the fourth step, the Union may proceed to final and binding arbitration as hereinafter provided.

47.5. Grievance Arbitration

- a. Final and binding arbitration may be initiated by the Union serving upon the City Labor Negotiator a notice in writing of an intent to proceed to final and binding arbitration within thirty (30) days of receipt of the fourth step answer. Said notice shall identify the grievance and the employees involved.
- b. Unless the parties can, within seven (7) calendar days following the receipt of such written notice, agree upon the selection of an arbitrator, either party may, in writing request the Wisconsin Employment Relations Commission to submit a list of five (5) arbitrators to both parties. The parties shall, within seven (7) calendar days of the receipt of said list, select the arbitrator by alternately striking names from the list until one name remains. Such person shall then become the arbitrator.
- c. The arbitrator so selected shall hold a hearing at a time and place convenient to the parties within fifteen (15) calendar days of notification of his selection, unless otherwise mutually agreed upon by the parties. The arbitrator shall take such evidence as in his judgment is appropriate for the disposition of the dispute. Statements of position may be made by the parties and witnesses may be called. In disputes involving application of rules or regulations of the Chief of Police, the Chief of Police or his representative shall be permitted to participate in the proceeding and to state the Chief of Police's position on the dispute.
- d. The arbitrator shall neither add to, detract from, nor modify the language of the Agreement or of the rules and regulations in arriving at a determination of any issue presented that is proper for final and binding arbitration within the limitations expressed herein. The arbitrator shall have no authority to grant wage increases or

wage decreases.

- e. The arbitrator shall expressly confine himself to the precise issues submitted for arbitration and shall have no authority to determine any other issue not so submitted to him or submit observations or declarations of opinion which are directly essential in reaching the determination.
- f. In reviewing any difference over application of a departmental rule or regulation under this grievance and arbitration procedure, the arbitrator shall take into account the special statutory responsibilities granted to the Chief of Police under Section 62.50, Wisconsin Statutes. The arbitrator shall not impair the ability of the Chief of Police to operate the department in accordance with the statutory responsibilities under Section 62.50, Wisconsin Statutes, nor shall he impair the authority of the Chief of Police to maintain, establish and modify rules and regulations for the operation of the Police Department, provided such rules and regulations are not in violation of the specific provisions of this Agreement. In addition, the arbitrator shall not prohibit the Chief of Police from executing departmental rules and regulations in a fair and equitable manner.
- g. All expenses which may be involved in the arbitration proceedings shall be borne by the parties equally. However, the expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with such proceedings shall be borne by the party at whose request such witnesses or depositions are required.
- h. For the purpose of receiving testimony and evidence, the provisions of Section 788.06 and 788.07 of the Wisconsin Statutes shall apply. The arbitration award shall be reduced to writing, subject to Sections 788.08 through and including 788.15 of the Wisconsin Statutes. All other sections and provisions of Chapter 788 are hereby expressly negated and of no force and effect in any arbitration under this Agreement.
- i. In matters of departmental discipline involving application of the rules or regulations of the Chief of Police, the arbitrator shall determine whether or not the discipline was for cause.

- j. It is contemplated by the provisions of this Agreement that any arbitration award shall be issued by the arbitrator within sixty (60) calendar days after the notice of appointment unless the parties to this Agreement shall extend the period in writing by mutual consent.
- k. The arbitrator shall submit, in writing, his award to:
 - 1. The Labor Negotiator of the City of Milwaukee;
 - 2. Attorneys of Record;
 - 3. Milwaukee District Council 48, AFSCME, AFL-CIO.

47.6. Sick Leave

- a. Eligibility for sick leave usage by eligible employees of the City of Milwaukee employed in the Police Department shall begin as soon after regular appointment as any sick leave credit has been earned.
- b. Employees reporting an absence due to sickness shall be governed by the rules and regulations of the Police Department.
- c. Administration of this paragraph shall be in accordance with Section 4-37 of the Milwaukee Code of Ordinances. The Police Department will control and administer the sick leave benefits.
- d. The maximum sick leave accrual for all employees is capped at 120 days.

47.7. Bulletin Boards

The City will furnish for the Union one bulletin board at an agreed upon location. All provisions contained in Article 11 in the general contract relative to bulletin boards shall be applicable to this paragraph.

47.8. Probationary Periods

The present probationary period of 6 months for employees covered by the provisions of this Article shall be maintained.

- 47.9. a. Additional Pay for Custodial Worker II-City Laborer the incumbent of one position of Custodial Worker II - City Laborer in the Maintenance Services Section of the Police Department shall receive \$5.00 biweekly additional while assigned to the operation of the floor scrubbing machine.

- b. Employees in the Custodial Worker II-City Laborer classification in the Maintenance Services Section of the Police Department shall receive a premium of \$10 biweekly while assigned to and performing work on the wax crew.
- 47.10. Additional Pay for Heating and Ventilating Mechanics II and Building Maintenance Mechanics
Heating and Ventilating Mechanics II and Building Maintenance Mechanics in the Police Department who are assigned supervisory responsibilities for a full shift shall receive an additional one dollar (\$1.00) per hour.
- 47.11. The City will provide Building Maintenance Mechanics, Heating and Ventilating Mechanics, Garage Attendants or Custodial Workers an additional dollar (\$1) per hour for each hour an employee works overtime plowing, shoveling snow or salting.
- 47.12. Vehicle Service Assistants in the Police Department who are assigned supervisory responsibilities for a full shift shall receive an additional fifty cents (\$0.50) per hour.
- 47.13. Garage Attendants in the Police Department certified as Track meter Technicians and regularly performing speedometer verification work, shall receive additional compensation of \$15 on a biweekly basis.
- 47.14. Existing Departmental requirements that all of an employee's vacation benefits for a calendar year must be used by the end of that calendar year shall remain the same except as follows:
- a. An employee on authorized injury leave as a result of a duty-incurred injury may use vacation scheduled during the period of such leave provided the Police Department Administration receives a written advance request to use the vacation, which indicates the time and place of the vacation, and provided further, both the employee's private physician and a Police Physician have authorized use of this vacation. Injured employees not using vacation scheduled during the period of their leave, either because they did not make a request for it or because the request was not approved by a Police Physician, shall have their unused vacation rescheduled by the Police Department Administration when they return to duty, if it is possible to do

so, before the end of the calendar year. In the event the Police Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the employee shall be entitled to receive a lump sum payment equivalent to the dollar value of the remaining unused vacation at the end of the calendar year, computed on the basis of the employee's base salary rate in effect at the time for which the vacation was originally scheduled. This lump sum payment shall be made as soon as is administratively practicable following the end of the calendar year. The lump sum payment shall not be construed as being part of the employee's base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement. The lump sum payment shall not have any sum deducted for pension benefits nor shall it be included in any computation establishing pension benefits or payments. When authorized by the Police Department Administration, an employee may elect to carry over into the next succeeding calendar year any remaining unused vacation that the Police Department Administration was unable to reschedule by the end of the calendar year, instead of the lump sum payment provided above. The vacation carried over shall be used by March 1 of the next following calendar year or the employee will lose all rights to it, including all rights to the lump sum payment provided above. The scheduling of carried-over vacation shall be subject to availability of the dates requested by the employee, require prior approval by the employee's supervisor and in no way affect the scheduling of other employees' vacations.

- b. Employees on authorized sick leave shall have their vacation that was scheduled during such leave rescheduled by the Police Department Administration when they return to duty if it is possible to do so before the end of the calendar year. In the event the Police Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the City, upon the employee's return to duty, will restore to the employee's sick leave account an amount of time equal to the amount of unused vacation.
- c. An employee who works year-round may carry over up to five (5) days of vacation

entitlement into the following year. This vacation carryover shall be subject to scheduling procedures as determined by the Chief of Police. Vacation entitlement which is carried over shall be utilized within the first three (3) months of the year, unless otherwise authorized by the Chief of Police.

47.15. Parking Provision

In lieu of the practice of permitting Maintenance Services Personnel to park on any City property in or near the Police Administration Building Garage, the following shall apply:

1. An employee with a regular Departmental assignment that requires him/her to report to a Police Administration Building (PAB) work location at the start of his/her regular work shift as of the 15th day of a calendar month shall be eligible for a Regular Parking Allowance benefit for that calendar month; such an employee shall be termed an "eligible employee." Two or more eligible employees may form a carpool for a calendar month (or months) by indicating this fact on a form prescribed by the Department for this purpose and the carpool members shall in aggregate be eligible for a Special Parking Allowance benefit for the calendar months the carpool remains in effect. The Special Parking Allowance benefit shall be in lieu of the Regular Parking Allowance benefit.
2. The City shall provide the Union with a list of City-approved parking facilities and will notify the Union of any change that the City may from time to time make in this list at least sixty (60) calendar days prior to the effective date of such change. Eligible employees shall be entitled to receive either a Regular Parking Allowance benefit or a Special Parking Allowance benefit under the terms and conditions hereinafter provided:
 - a. Regular Parking Allowance Benefit

In order to receive a Regular Parking Allowance benefit for a calendar month, an eligible employee must purchase a monthly parking permit for that month from a parking facility on the City-approved list, endorse the permit (or permit stub/receipt deemed acceptable to the Department, whenever the employee must retain the permit in order to receive parking benefits) by indicating

his/her signature and payroll number on the portion of his/her monthly parking permit he/she receives from the vendor and submit the endorsed permit (or acceptable permit stub/receipt) to the Police Department Administration no later than the 15th day of the calendar month covered by the monthly permit (e.g., the 15th of April for the month of April). Following the Department's receipt of the endorsed permit (or acceptable permit stub/receipt), the employee shall be entitled to receive the eighty-five dollars (\$85) monthly Regular Parking Allowance benefit for the month covered by the permit; provided however, if the monthly parking permit purchase price is less than eighty-five dollars (\$85), the employee shall only be eligible for a Regular Parking Allowance equal to the actual cost of the permit.

b. Special Parking Allowance Benefit

In order to receive a Special Parking Allowance benefit for a calendar month, two or more eligible employees forming a carpool in accordance with the provisions of paragraph 1, hereof, must purchase one monthly parking permit for that month from a parking facility on the City-approved list. Each employee member of the carpool shall endorse the permit (or permit stub/receipt deemed acceptable to the Department, whenever the employee must retain the permit in order to receive parking benefits) by indicating their signatures and payroll numbers on the portion of the monthly parking permit received from the vendor and submit the endorsed permit (or acceptable permit stub/receipt) to the Police Department Administration no later than the 15th day of the calendar month covered by monthly permit (e.g., the 15th of April for the month of April). Following the Department's receipt of the endorsed permit (or acceptable permit stub/receipt), the carpool members shall in aggregate be entitled to receive a single Special Parking Allowance benefit in accordance with the following schedule (only eligible employees may comprise the carpool):

- (1) Two-person carpool -- A total of \$80 per month;

(2) Three or more-person carpool -- A total of \$105 per month.

If the monthly parking permit purchase price for a carpool is less than the amount to which the carpool is entitled under this schedule, the carpool shall only be eligible for a Special Parking Allowance Benefit equal to the actual cost of the monthly permit. Payment of a Special Parking Allowance benefit shall be made to one member of the carpool designated to receive the payment; such designation shall be indicated on the form referenced in paragraph 1 hereof. Carpool members shall determine the method of apportioning the monthly Special Parking Allowance to which they are entitled, in aggregate, to receive; any dispute involving this apportionment is specifically excluded from the Grievance/Arbitration provisions of this Agreement.

Payments provided hereunder shall be made as soon as administratively practicable after the close of the calendar month covered by the permit. Except as provided in subsection 3, below, only approved parking facilities' monthly parking permits that are properly endorsed shall be covered by the benefits provided herein. No employee shall be eligible to receive benefits under both paragraphs 2.a. and 2.b. for the same calendar month.

3. The Union recognizes that there are a limited number of parking spaces available at City approved parking facilities; accordingly, monthly parking permits for these spaces will be sold to eligible employees (either individually, or collectively, as one permit for a carpool) on a first-come, first-served basis, subject to their availability. During a calendar month when no monthly parking permit at any City-approved parking facility(ies) is(are) available because the vendor(s) has(have) determined that no space is available, the City will honor monthly parking permit receipts from parking facilities not on the City-approved list that are within the geographic area bounded by West Wisconsin Avenue on the south, North 12th Street on the west, West Juneau Avenue on the north and the Milwaukee River on the east. The employee (or each individual employee comprising a carpool) shall endorse the receipt by indicating his/her signature and payroll number on the monthly parking

permit receipt and shall submit the endorsed parking permit receipt to the Police Department Administration no later than the 15th day of the calendar month covered by the monthly permit (e.g., the 15th of April for the month of April). Following submission of the parking permit receipt to the Police Department Administration, the employee (or carpool) shall be entitled to receive a monthly parking benefit for the month covered by the parking permit under the same terms and conditions provided in paragraph 2, above.

4. Daily Parking Receipts

During a calendar month when no monthly parking permit is available to an employee under the provisions of either paragraph 2 or 3, hereof, because no space is available, the City will honor daily parking receipts from parking facilities within the geographic area described in paragraph 3, hereof, subject to the employee submitting a form prescribed by the Department to the Police Department Administration within five consecutive calendar days following the close of the calendar month. The form shall contain the following information:

- a. The employee's name, signature, and payroll number (or this information for each individual comprising a carpool);
 - b. A listing of each individual daily parking receipt for the calendar month indicating the date and amount arranged in date order with a total amount ("total amount") for the calendar month plainly indicated; and
 - c. All of the daily receipts for the calendar month stapled to the back of the form.
- Following submission of the prescribed Departmental form to the Police Department Administration, the employee (or carpool) shall be entitled to receive a monthly parking benefit for the calendar month covered by the daily parking receipts equal to the lesser of (1) the "total amount" described in paragraph 4.b., hereof, or (2) the maximum amount provided in paragraphs 2.a. or 2.b., hereof, whichever is applicable. Such benefit shall be in lieu of the monthly parking benefits provided under paragraphs 2 and 3.

5. The benefits provided hereunder are intended to be used by an employee only for the

purpose of commuting to and from his/her Departmental work location in connection with his/her City employment. The use of a parking permit by an employee for any other purpose during a calendar month shall disqualify the employee from the benefits provided hereunder for that calendar month.

6. Payments made under the provisions of this Article shall not be construed as being part of employees' base pay and shall not be included in the computation of any fringe benefits enumerated in this Agreement. Any payment made under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in any computation establishing pension benefits or payments.
7. The City shall be held harmless against any and all claims, actions and lawsuits relating to theft or personal property damage brought against the City by employees using parking facilities pursuant to the parking allowance benefits provided herein. The City shall be held harmless against any and all claims, lawsuits, actions, damages and judgments due to the employee's operation of his or her private vehicle at parking facilities which are subject to the parking allowance benefits provided herein. Nothing herein would operate to relieve the City of any liability it may have arising from its actions or omissions or preclude the employee from pursuing any rights or claims he/she may have under Wisconsin State Statute 895.46.
8. Notwithstanding the foregoing, during a calendar month the employee members of a carpool are receiving carpool benefits, the City will honor daily parking receipts for that calendar month in accordance with the following schedule:
 - a. Two-person carpool - An amount of reimbursement up to \$15 which, in aggregate with the carpool benefits received by the employees' carpool, shall not exceed \$85.
 - b. Three-or-more-person carpool - An amount of reimbursement up to \$35 which, in aggregate with the carpool benefits received by the employees' carpool, shall not exceed \$105.

Carpool members shall determine the method of apportioning the amounts of

reimbursement; any dispute involving this apportionment is specifically excluded from the grievance/arbitration provisions of this Agreement.

ARTICLE 48

LONG TERM DISABILITY PROGRAM

- 48.1. The City will offer a Long-Term Disability ("LTD") Benefit Program.
- 48.2. Basic coverage featuring benefits to age 65 after an elimination period of 180 calendar days will be provided at no cost to employees who work at least 20 hours per week on a year-round basis and have completed six months of active service following a regular or exempt appointment. Shorter elimination periods will be available through payroll deductions. An employee who is or becomes in a laid off situation shall not be eligible for LTD benefits. LTD benefits will begin only after all other temporary disability benefits, such as accumulated sick leave, have been exhausted.
- 48.3. During a qualifying period of disability, the LTD benefit program will provide no less than 60% of monthly base earnings (excluding bonuses and overtime) as income replacement, up to a maximum of \$5,000.00 per month, reduced by all available temporary disability benefits such as sick leave benefits; amounts available from any other city, state or federal programs which may be paid on account of the same disability; and any income earned by the employee during the period of disability.
- 48.4. Benefits payable under the LTD benefit program shall be established by an LTD benefit administrator selected by the City. The LTD benefit administrator shall provide a procedure for an employee to dispute claims and claim decisions. No dispute arising under the LTD benefit program shall be subject to the grievance and arbitration procedures set forth in this Agreement, except an allegation that the City has failed to pay required payments to the LTD benefit administrator.
- 48.5. The City shall retain the right to manage, at its sole discretion, the administration and funding of the LTD benefit program, including, but not limited to selecting, changing, or terminating third party LTD benefit administrators, operating as the

LTD benefit administrator, establishing and managing reserve funds in relation to the LTD benefit program, self-funding the LTD benefit program, and entering into or terminating insurance agreements in relation to the LTD benefit program.

APPENDIX B
WELLNESS AND PREVENTION PROGRAM
AND
WELLNESS AND PREVENTION COMMITTEE

A Wellness and Prevention Program and a Wellness and Prevention Committee shall be implemented to promote the wellness and prevention of disease and illness of City employees, retirees and their family members. The Wellness and Prevention Program shall include an annual Health Risk Assessment (HRA) and may contain, but shall not be limited to, some or all of the following components: benefit communication, medical self-care, nurse line, consumer health education, injury prevention, advanced directives, preventive medical benefits, targeted at-risk intervention, high-risk intervention, disease management, condition management, wellness incentive or other components agreed upon by the City and the unions.

The City shall retain a consultant to assist in developing a plan for a comprehensive wellness and prevention program for the City and to assist in making program adjustments.

A Wellness and Prevention Committee shall be established to assist the consultant in the design of the Wellness and Prevention Program and to provide oversight of the program. The Wellness and Prevention Committee shall be comprised of nine union members appointed by the unions and three management representatives appointed by the Mayor. Two of the nine union members on the Wellness and Prevention Committee shall be Milwaukee District Council 48, AFSCME members as determined by District Council 48. The City has agreed that two of the nine union members on the Wellness and Prevention Committee shall be Milwaukee Police Association (MPA) members as determined by the MPA. The City agrees that no other Union except DC48 and MPA may have more than one voting member on the Committee. The City has also agreed to allow other union presidents and union staff representatives or business agents to attend and participate in all Committee meetings, but only the nine members of the Committee will be allowed to officially make decisions and/or vote if necessary.

Decisions of the committee shall be by consensus. Consensus shall be reached when ten committee members agree. The committee shall make no decisions that require employees to pay additional out-of-pocket costs unless they are ratified by every City bargaining unit. However, the committee may decide to provide additional lump sum compensation to employees, reduce an out-of-pocket monthly expense or provide some other type of benefit without ratification by the bargaining units. No decision made by the committee or failure to make a decision shall be subject to any aspect of the various grievance procedures, complaint procedures, court action or any other type of dispute resolution mechanism.

The City shall develop a Request for Proposals (RFP) and solicit bids from third party vendors qualified to implement the Wellness and Prevention Program. Upon conclusion of the bidding process, the City shall meet with the unions to review the results of the RFP. The committee shall decide on the vendors giving due consideration to all City policies associated with the selection procedures. The City shall not spend more than two million dollars per year, including the cost of conducting the HRA, on the Wellness and Prevention Program.

All parties involved with the HRA shall abide by all laws governing the release of employee medical records.

Neither the City nor any of its health benefit plans may take an adverse action against an employee based solely on information obtained from either the HRA and/or the Wellness and Prevention Program or the employee's lack of participation in it.

The forgoing provision does not apply to any incentives or disincentives that may be developed by the Wellness and Prevention Committee in accordance with the provisions of Appendix B, Wellness and Prevention Program and Wellness and Prevention Committee.
